I'm hopeful our paths will cross again with many cold drinks!
God bless you both

Fabulous Culinary Experience!

This was not only my first BVI charter but also a most fabulous culinary experience - blending Caribbean Flavors and varieties, well done Naomi and Dave.

Hope to see you both back in the BVI's soon.

Perfection!

Thank you for making our trip absolute perfection.

Naomi your cooking was over and beyond - write the cookbook! I'll be the first to buy one.

TO DAVID AND NAOMI

First and foremost, you are two of the most incredible people that we have had the pleasure of meeting. During our holiday, our group continually commented on how diversely accomplished and professional the two of them were. To achieve this at their young age, is only more impressive.

TO DAVID AND NAOMI

First and foremost, you are two of the most incredible people that we have had the pleasure of meeting. During our holiday, our group continually commented on how diversely accomplished and professional the two of them were. To achieve this at their young age, is only more impressive.

David skillfully navigated the boat allowing us to enjoy the pleasures of the wind, but also safely placing us in coves and harbours, and along island edges for snorkelling right off the back of the boat. We have never before enjoyed so much time in the water on any previous vacation, of any type. David also provided morning briefings and lectures on the surrounding areas, and meticulously maintained the boat when not at the helm. And let's not forget David's bartending skills! We could hardly wait for 5:00pm to approach, when we would be introduced to David's concoction of the day! Delicious, beautifully prepared, and even topical to the day's ventures.

Naomi, simply, is one of the most accomplished chefs that we have ever come across. All of us in the group have been fortunate enough to travel the world, and Naomi is definitely of a world class! The food was beyond delicious, used many fresh local ingredients, and had a presentation fitting of a red seal chef in a posh 5-star establishment. The fact that she created these mostly "scratch" dishes in a very small kitchen with limited tools, counter space, and ingredients that had to be procured a week in advance is a marvel on its own. Including a 5:00pm appetizer, Naomi was creating up to 4 unique and intriguing dishes a day. Everything about our trip was perfect, but if we were to identify the one item that surprised and impressed us the most, it would have been Naomi's meals. We are not the type to take pictures of our food as it is served, but in Naomi's case, that is exactly what happened.

You listened to our desires and put together a trip that far, far exceeded our expectations. The initial forms were simple to fill out, and now we understand just how carefully you used our information to customize our destinations, menus, and even our cocktails into a holiday that catered to our most whimsical fantasy's. We originally thought that "& Beyond" was just a catchy little name, but upon completing our sailing, we now fully understand everything that your name implies. You are "way beyond" being a simple chartering company. You create custom tailored dreams and memories, unique to each client's desires. Good on ya! What an incredibly well executed business plan!
