Amazing Pair!

Gino and Nikita

We can't thank you enough for an amazing week! This was our first charter and you truly made it exceptional! You are an amazing pair that works so well together and we instantly felt like family with you.

You have set the bar high and there is no way I would consider a charter with any other couple Hospitality and Kindness

The BVI's may be our new favorite vacation spot. Loved being able to slow down for a week and hit different spots daily. The absolute best part was the hospitality, kindness and energy of Gino and Nikita. You two work together like a well oiled machine and are such a pleasure to spend time with. You may be the only 20 year old I know who has sailed the Atlantic (though tough go on 3rd place THANK YOU for being so kind and for allowing us to chill with you for a week.

We will see you again soon.

Wonderful Hosts

We cannot say enough about how incredible our week with you has been, Every location you took us to and every meal was perfect, You have both been wonderful hosts and ensured we all had the time of our lives. Emily and I absolutely plan to sail with you again.

We wish you both all the best.

Their Warmth, Energy and Knowledge Made Every Part Enjoyable

The memories our family made this week aboard Aquanimity with Captain Gino and Chef Nikita will last us a lifetime. This crews warmth, energy and knowledge made every part of our trip interesting and so enjoyable.

As parents of young kids aboard, Gino and Nikita's skill and professionalism instantly put us at ease, and they are a joy to know and so much fun to be around.

They make the best of every situation and their adaptability ensures a great time no matter what you are doing.

It is hard to think of highlights on a trip this great, but for us, the under-the-radar spots might have to be the favorites (like secret shipwrecks!), as well as the Indians, Soggy Dollar Beach and Nikita's beautiful breakfasts.

We can't wait to tell our friends and family what a wonderful time we had this week in Gino and Nikita's capable hands.

Our kids ages were Jane (8) and Jack (6)

Gino and Nikita Were Incredible!

Probably the best vacation I have ever been on. Gino and Nikita were incredible. So much fun to be around.

Gino on top of everything nautical detail. Nikita the consummate chef.

I wish they were my kids. The best trip!!

This Trip Covered It All

Words alone cannot even begin to describe our week on Aquanimity! Captain Gino at such a young age has experience WAY beyond his years. He is so very knowledgeable he makes you feel safe and secure in all he does. He's also a wonderful helper to first mate Nikita.

Nikita, what can I say about this delightful first mate/chef.

Her meals are beyond incredible starting with very tasty appetizers, continuing with scrumptious entrees, finishing off with delicious desserts + snacks in between.

Both Gino and Nikita are such a joy to be with, you want to make them part of your family. All our stops sailing throughout the BVI were such incredible experiences we couldn't wait to see what the next day would bring.

We shared this whole experience with such great friends and our crew have become new friends. It's not WHERE you go in life, it's WHO you go with his trip covered it all! Until next time.....

Unforgettable Time!

Enjoyed great snorkeling: favorites were the Indians and Dog Point.

Meals on the boat were delicious: favorites were shrimp salad, mussels, potato pancakes, lamb chops.
